Re: Kachemak Emergency Service Area (KESA)

Dear Local Boundary Commission:

We strongly supported KESA because we thought the costs should be shared by the community at large. KESA also much improved response time for fires + ambulance service in many of the outlying areas of Homer.

We were especially concerned that the removal of a portion of KESA's tax base by annexation to Homer would make it more difficult for KESA to live up to its' expectation.

Sincerely,
