MAY 15th 1998

To whom it may concern,
I am writing concerning the proposed Talkeetna becoming a "home rule" city. I am adamantly "opposed" to this proposal. The tax increase would greatly effect the seasonal businesses that work so hard to make a living here. I have lived and made my living right here in Talkeetna for 20 years and feel Talkeetna is growing and taking care of itself on its own and it should be left just the way it is

sincerely
