To the Local Boundary Commission
Staff
Regarding the petition for
incorporation of Talkeetna as
a home rule city.

I am in opposition to incorporation
as a home rule city.
An additional level of govern-
ment is NOT NEEDED.
I DO NOT believe that an
incorporated city of Talkeetna
can efficiently and economically
provide for services and
needs of area proposed for
incorporation.
The petitioners' representative
and alternative representative
DO NOT represent the best interests
of the majority of population in
incorporated area proposed.
