MAP NOTES

This map was prepared by the Alaska Department of Commerce, Community, and Economic Development, Division of Community and Regional Affairs (Commerce). This map is funded with qualified outer continental shelf oil and gas revenues through the Coastal Impact Assistance Program, U.S. Fish and Wildlife Service, U.S. Department of the Interior. Commerce contracted with Global Positioning Services, Inc. in May of 2011 to prepare the map.

This map should not be construed as a survey. On-site surveys should be conducted prior to engineering or construction. This map was compiled to meet horizontal and vertical accuracy in accordance with national map accuracy standards.

Property and utility information has been generated from readily available sources with limited accuracy checks. Property information is not intended to represent a title search of the Recorders Office record. Utility location is approximate and shows only the main lines. Generally, the information is current as of December 2011. VSW provided sanitation facility records.

This map is based on photography acquired on July 13, 2011, at a nominal scale, of 1 in = 800 ft. Aero-Metric Anchorage prepared the orthophoto and topographic mapping. The topographic contours were prepared at two (2) foot intervals with index contours every ten (10) feet.

The views and conclusions contained in this document are those of the authors and should not be interpreted as representing the opinions or policies of the U.S. Government. Mention of trade names or commercial products does not constitute their endorsement by the U.S. Government.

HORIZONTAL AND VERTICAL CONTROL

The horizontal control station for this digital map and orthophoto was an NGS OPUS solution for GPS Inc. TBM "BASE 1". The horizontal datum NAD 1983 coordinates for this TBM are North 56° 06' 52.3808" and West 133° 07' 21.58747".

The vertical control station for this digital map and orthophoto was "ATS 1422 C1". The elevation for this station is 14.70 feet above mean lower low water (MLLW).

The mapping of the community of Whale Pass has been adjusted to this control using high-precision GPS methods and the adjusted coordinates and elevation for Monument "ATS 1422 C1", were calculated to establish a local control reference. The NAD 1983 coordinates for this monument are North 56° 06' 54.7407" and West 133° 07' 19.9567" and the elevation is 14.70 feet above MLLW.

This map projection is based upon NAD 83, ASP Zone 1 as expressed in US Survey Feet.
