	Public Building		Sewer Force Main
	Basis of Coordinates C3, Blk. 2, Tr. A ANCSA 14(c)		Electric
	Spring Flooding Area		Electric & Telephone
	Swimming Area		Fuel Line
			Recovered Heat Line
			Edge of Water

SCALE: 1"=100'
 Date of Photography: June 12, 2013
 Magnetic Declination computed by U.S.G.S. Geomag
 Program using IGR11.COP model as of August 1, 2013

MAP NOTES
 This map was prepared by the Northwest Arctic Borough in cooperation with the Alaska Department of Commerce, Community, and Economic Development, Division of Community and Regional Affairs using funding from the Northwest Inupiat Housing Authority, NANA Regional Corporation, and Maniqa Association. This map was produced in part with CDBG funds made available through the Department of Commerce, Community, and Economic Development and the US Department of Housing and Urban Development. The Northwest Arctic Borough contracted with Global Positioning Services, Inc. in April of 2013 to prepare the map.

This map should not be construed as a survey. On-site surveys should be conducted prior to engineering or construction. This map was compiled to meet horizontal and vertical accuracy in accordance with national map accuracy standards.

Property and utility information has been generated from readily available sources with limited accuracy checks. Property information is not intended to represent a title search of the Records Office record. Utility location is approximate and shows only the main lines. Generally, the information is current as of September 2013. ANTHC provided sanitation facility records.

This map is based on photography acquired on June 12, 2013, at a nominal scale of 1 in = 800 ft. Quantum Spatial prepared the orthophoto and topographic mapping. The topographic contours were prepared at two (2) foot intervals with index contours every ten (10) feet.

HORIZONTAL AND VERTICAL CONTROL
 The horizontal and vertical control station for this digital map and orthophoto was an NGS OPUS solution for GPS Inc. TBM "BASE 1". The horizontal datum NAD 1983 coordinates for this TBM are North 66° 49' 04.10301" and West 161° 01' 42.48179" and the elevation is 44.856 ft.

The mapping of the community of Noorvik has been adjusted to this control using high-precision GPS methods and the adjusted coordinates and elevation for Monument "C3, Blk. 2, Tr. A, ANCSA 14(c)", were calculated to establish a local control reference. The NAD 1983 coordinates for this monument are North 66° 49' 59.7730" and West 161° 02' 29.3538" and the elevation is 44.59 feet.

This map projection is based upon NAD 83, ASP Zone 7 as expressed in US Survey Feet.

U.S. SURVEY No. 5069
 Grants of Easement for Right-of-Way granted to the City of Noorvik

Lot No.	Block No.	Record No.	Date
