Community Map
CHIGNIK

56°18'N 158°24'W Elevation 15'

The preparation of this document was financed by a special legislative appropriation for the Department of Community and Regional Affairs, administered by the Division of Community Planning.

Note: These maps have been prepared from uncontrolled aerial photographs. Scale is approximate and minor distortion may exist. Property and utility information has been generalized from many sources and may contain minor inconsistencies. These maps should not be construed as surveys. On-site investigations should be conducted prior to construction.

Community Map The profile maps are useful in illustrating land use patterns, land status, location of power lines, water resources, waste disposal sites, and public facilities. They also provide an understanding of some of the natural features and hazards that affect the community. This information is very important in planning for community improvements and expansion.

The Community Map shown here was prepared from an aerial photograph taken in 1974 by North Pacific Aerial Survey at a height of 8400 feet and enlarged to a scale of 1:2400 (1" = 200'). The Area Map was prepared from the same photo and reproduced at a scale of 1:16800 (1" = 1400').

Area Map

- Industrial
- Residential
- Commercial
- Public
- Public Use Area
- Multiple Use
- Misc. Smaller Structures (storage, garages, etc.)
- GEN Generator
- Power Poles
- Transmission Lines (above ground)
- Transformers
- Street Lights
- Telephone Lines
- Earth Station
- Wind Generator
- Fuel Storage
- Buried Water Lines
- Water Lines
- Townsite Boundary
- Survey Line
- Land Status Line
- Vacant Structure

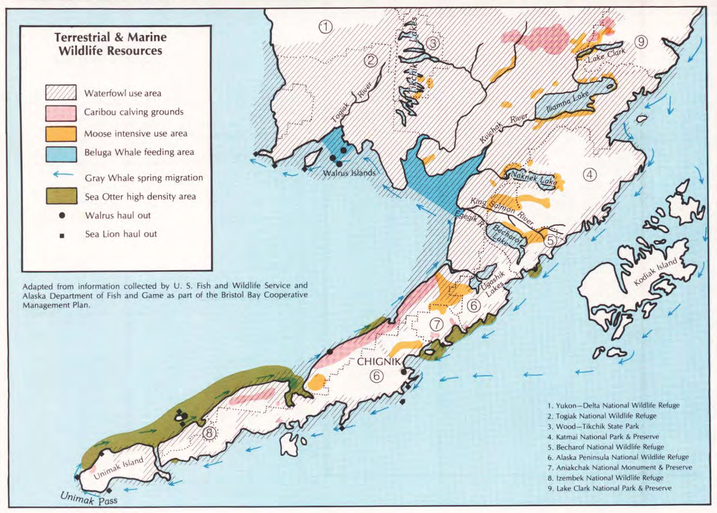
1. Remains of old Russian Orthodox church
2. Health clinic
3. Village office/"Meta's Place" restaurant
4. Chignik Bible Chapel
5. Chignik General Store
6. Alaska Packers Assn. Cannery
7. APA hospital
8. Post office
9. Chignik Bay School
10. Village generator
11. Incinerator
12. Peter Pan Seafoods
13. DOT/PF maintenance building

Cemetery
Indian Creek
Old cemetery
Crab pot storage
Open boat storage
Crab pot storage
Play area
Gravel airstrip 2800' x 100'
Anchorage
Bay
Cannery buildings used for boat and gear storage (cannery not operating)
Open boat storage
1400 Feet
400 Meters

Note: Structures not outlined or color coded have been determined to be minor accessory structures and/or dilapidated buildings.

Terrestrial & Marine Wildlife Resources

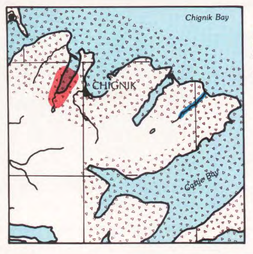
- Waterfowl use area
- Caribou calving grounds
- Moose intensive use area
- Beluga Whale feeding area
- Gray Whale spring migration
- Sea Otter high density area
- Walrus haul out
- Sea Lion haul out



Adapted from information collected by U. S. Fish and Wildlife Service and Alaska Department of Fish and Game as part of the Bristol Bay Cooperative Management Plan.

1. Yukon–Delta National Wildlife Refuge
2. Togiak National Wildlife Refuge
3. Wood–Tikchik State Park
4. Katmai National Park & Preserve
5. Becharof National Wildlife Refuge
6. Alaska Peninsula National Wildlife Refuge
7. Aniakchak National Monument & Preserve
8. Izembek National Wildlife Refuge
9. Lake Clark National Park & Preserve

Wildlife Resource Map



- Anadromous stream
- Brown Bear intensive use area
- Bald Eagle intensive use area
