

COMMUNITY MAP

DEADHORSE

70°12'N
Scale
149°33'W
0 100 200 300 Feet
0 100 200 300 Meters

Prepared by the Arctic Environmental Information and Data Center, University of Alaska, under contract to the United States Geological Survey, in cooperation with the Bureau of Land Management for National Petroleum Reserve-Alaska Task Force studies, July, 1978.

The snowdrifts shown on the photo are formed by storm winds and do not necessarily indicate prevailing winds.

Community Base Map—The community base map was prepared from a BLM photograph taken in 1978 at a height of 12,000 feet and enlarged to a scale of 1:3,690 (1 in. = 330 ft.). This map shows land use, ownership, and present development, and can be used in the future to evaluate areas for industrial expansion and to locate new construction.

Land Use

- Public
- Commercial

Note: Living quarters are provided by individual contractors.

— Survey line (surveyed by Alaska Division of Aviation)

- - - Unsurveyed line (paper platted by Alaska Division of Aviation)

- 1 ERA Helicopters hangar
- 2 FAA control tower
- 3 Wien Air Alaska terminal
