MAP NOTES
 This map was prepared by the Tingit-Haida Regional Housing Authority in cooperation with the Alaska Department of Commerce, Community and Economic Development (Commerce) using funding from Housing and Urban Development, the Alaska Native Tribal Health Consortium, the City of Kasaan, and funding from the initiative for accelerated Infrastructure Development (AID). The AID is supported by grants from the Denali Commission, USDA Rural Development, Alaska Department of Transportation and Public Facilities and Commerce. The Tingit-Haida Regional Housing Authority contracted with Global Positioning Services, Inc. in May of 2004 to prepare the map.
 This map should not be construed as a survey. On-site surveys should be conducted prior to engineering or construction.
 This map was compiled to meet horizontal and vertical accuracy in accordance with national map accuracy standards.
 Property and utility information has been generated from readily available sources with limited accuracy checks. Property information is not intended to represent a title search of the Records Office record. Utility location is approximate and shows only the main lines as the service lines have been omitted for clarity. Generally, the information is current as of December 2004.
 The Alaska Native Tribal Health Consortium provided sanitation facility records.
 This map is based on photography acquired on May 22, 2004, at a nominal scale, of 1 in = 800 ft.

- BUILDING KEY**
1. Kasaan AP&T Power Plant
 2. Kavilco Shop
 3. Kavilco Administration Building
 4. Kavilco Headquarters

 17. Kasaan Kafé

HORIZONTAL AND VERTICAL CONTROL
 The horizontal control monument for the digital orthophoto was "Annette Island 1 CORS ARP". Published horizontal datum NAD 1983 coordinates for this monument are North 55° 04' 08.64701" and West 131° 35' 58.25614". The vertical control monument for the digital orthophoto was "NOS Tidal BM 0581 A 2002". The published elevation for this monument is 16.49 feet above Mean Lower Low Water (MLLW). "NOS Tidal BM 0581 A 2002" was adjusted to the horizontal control using high-precision GPS methods and the adjusted NAD 1983 coordinates for this monument were calculated to be North 55° 32' 06.55" and West 132° 23' 48.99".
 The contours were prepared at two (2) foot contour intervals with index contours every ten (10) feet. The two foot contours have been omitted in steep areas, leaving only the index contours, for clarity.
