23. Old Dump
24. Old Cemetery
25. Water Plant
26. American New Years Bonfire site
27. Generator Building
28. Old Community Hall

MAP NOTES
 This map was prepared by the Lake and Peninsula Borough in cooperation with the Alaska Department of Community and Economic Development (DCED) using funding from the Alaska Coastal Management Program, U.S. Bureau of Indian Affairs Transportation Planning, and funding from the Initiative for Accelerated Infrastructure Development (IAD). The IAD is supported by grants from the Denali Commission, USDA Rural Development, Alaska Department of Transportation and Public Facilities and DCED. The Lake and Peninsula Borough contracted with Global Positioning Services, Inc. in May of 2003 to prepare the map.

This map was compiled to meet horizontal and vertical accuracy in accordance with national map accuracy standards.

Property and utility information has been generated from readily available sources with limited accuracy checks. Property information is not intended to represent a title search of the Records Office record. Utility location is approximate and shows only the main lines as the service lines have been omitted for clarity. Generally, the information is current as of December 2003.

The Alaska Native Tribal Health Consortium provided sanitation facility records.

This map is based on photography acquired on June 17, 2002, at a nominal scale, of 1 in = 800 ft.

AerMap U.S. prepared the Orthophoto and topographic mapping. The orthophoto is an aerial photo which has been corrected, by rectification to ground control stations, to remove distortions and warpage due to ground topography and aircraft tilt and trim.

HORIZONTAL AND VERTICAL CONTROL
 The control monument for the digital photo was ILIAMNA EAST BEAR located in Iliamna. Published horizontal datum NAD 1983 coordinates are North 59° 45' 47.81000" and West 154° 49' 47.52413". The vertical datum NGVD 1929 for this point is 117 feet above mean high water (MHW).

The village of Kokhanok has been adjusted to this control using high-precision GPS methods and the adjusted coordinates and elevation for C1, Lot 23, ANCSA 14(C) were calculated to establish a local control reference. The NAD 1983 coordinates for this monument are North 59° 26' 15.7920" and West 154° 47' 09.4066" and the NGVD 1929 elevation is 108.33 feet above mean high water.
