MAP NOTES

This map was prepared by the Bristol Bay Borough in cooperation with the Alaska Department of Commerce, Community, and Economic Development (Commerce) using funding from the Alaska Legislature, USDA Natural Resource Conservation Service, Bureau of Indian Affairs, and funding from the Initiative for Accelerated Infrastructure Development (IAID). The IAID is supported by grants from the Denali Commission, USDA Rural Development, Alaska Department of Transportation and Public Facilities and Commerce. The Bristol Bay Borough contracted with Global Positioning Services, Inc. in May of 2006 to prepare the map.

This map should not be construed as a survey. On-site surveys should be conducted prior to engineering or construction.

This map was compiled to meet horizontal and vertical accuracy in accordance with national map accuracy standards.

Property and utility information has been generated from readily available sources with limited accuracy checks. Property information is not intended to represent a title search of the Recorders Office record. Utility location is approximate and shows only the main lines as the service lines have been omitted for clarity. Generally, the information is current as of December 2006.

The Bristol Bay Borough and Tryck Nyman Hayes, Inc. provided sanitation facility records.

This map is based on photography acquired on May 22, 2006, at a nominal scale of 1 in = 800 ft.

Aero-Metric, Inc. prepared the orthophoto and topographic mapping. The orthophoto is an aerial photo which has been corrected, by rectification to ground control stations, to remove distortions and warpage due to ground topography and aircraft tilt and trim.
