

Community Map NAPAIMUTE

61° 32' 25" N 156° 40' 50" W (NAD 83)
 Approximate Elevation: 86'
 Township 17 North, Range 52 West, S.M., AK
 U.S.G.S. Quadrangle "SLEETMUTE (C-8)," Alaska
 KUSKOKWIM RECORDING DISTRICT

SCALE: 1"=100'
 Date of Photography: June 2001
 Magnetic Declination computed by U.S.G.S. Geomag Program using AK-2000.COF model as of January 1, 2002.

- UPPER BENCH - Only suitable land for permanent buildings above the flood plain. A network of foot and ATV trails connect all buildings on upper bench. Some sections of this bench have been expanded by removing fill from the base of the hill. (Areas 14, 18, and 20)
- LOWER BENCH - Used for temporary / seasonal activities - regularly maintained (brush and grass cut). Activities include: gardening, smokehouses, and gatherings.
- CURRENT ACCESS ROADS - 4-Wheelers, snowmachines, barge unloading equipment, and occasional trucks.
 * Traditional village access road has been blocked off at No. 14 with the expansion of a gravel pad in front of the house.
- FOOT TRAIL

MAP NOTES
 This map was prepared by the Interior Rivers Resource Conservation and Development (RC&D) Council in cooperation with Alaska Department of Community and Economic Development (DCEED) using funds provided by the U.S. Bureau of Indian Affairs. The Interior Rivers RC&D Council contracted with Geomatics International Services, Inc. in May of 2001 to prepare the map.
 This map should not be construed as a survey. On-site surveys should be conducted prior to engineering or construction.
 This map was compiled to meet horizontal and vertical accuracy in accordance with national map accuracy standards.
 This map is based on photography acquired on June 1, 2001 at a nominal scale of 1 in = 800 ft.
 AerialMap U.S. prepared the Orthophoto and topographic mapping.
 The orthophoto is an aerial photo which has been corrected, by rectification to ground control stations, to remove distortions and warpage due to ground topography and aircraft tilt and trim.
HORIZONTAL AND VERTICAL CONTROL
 The horizontal and vertical control monument for the digital orthophoto and topographic mapping was U.S.C.G. ANIAK NE BASE. Published horizontal datum NAD 1983 coordinates for this monument are North 61° 34' 38.59951" and West 159° 31' 27.6574". The vertical datum NGVD 1929 for this monument is 84 feet above mean high water (MHW). This map has been adjusted to this control using global positioning system and aerial photogrammetric methods.
 The contours were prepared at two (2) foot contour intervals with index contours every ten (10) feet.

RIVER

- 2 Harvey Hoffmans house.
- 3 Old Post Office.
- 4 Agnes Charles House #1.
- 5 Agnes Charles House #2.
- 6 Original George Hoffman House built 1906, restored and owned by Joe and Delores Matter.
- 7 Old warehouse from George Hoffmans trading post restored and owned by Joe and Delores Matter, now shop and generator building.
