MAP NOTES:  
 This map was prepared by the Alaska Department of Commerce, Community, and Economic Development, Division of Community and Regional Affairs (Commerce). This map is funded with qualified outer continental shelf oil and gas revenues through the Coastal Impact Assistance Program, Fish and Wildlife Service, U.S. Department of the Interior. Commerce contracted with Global Positioning Services, Inc. in May of 2011 to prepare the map.  
 This map should not be construed as a survey. On-site surveys should be conducted prior to engineering or construction. This map was compiled to meet horizontal and vertical accuracy in accordance with national map accuracy standards.  
 Property and utility information has been generated from readily available sources with limited accuracy checks. Property information is not intended to represent a title search of the Recorder's Office record. Utility location is approximate and shows only the main lines. Generally, the information is current as of December 2011. VSW provided sanitation facility records.  
 This map is based on photography acquired on July 12th, 2011, at a nominal scale of 1 in = 800 ft. Aero-metric Anchorage prepared the orthophoto and topographic mapping. The topographic contours were prepared at two (2) foot intervals with index contours every ten (10) feet.  
 The views and conclusions contained in this document are those of the authors and should not be interpreted as representing the opinions or policies of the U.S. Government. Mention of trade names or commercial products does not constitute their endorsement by the U.S. Government.

SCALE: 1"=200'  
 Date of Photography: July 12, 2011  
 Magnetic Declination computed by U.S.G.S. Geomag  
 Program using IGRF10 model as of September 1, 2011

**HORIZONTAL AND VERTICAL CONTROL**  
 The horizontal control monument for this digital map and orthophoto was an NGS OPUS solution for GPS Inc. TBM "BASE 1". The horizontal datum NAD 1983 coordinates for this TBM are North 55° 52' 05.541" and West 133° 12' 31.171". The vertical control monument was Alaska DOT&PF Monument "CI\_1422" in the community of Whale Pass with an elevation of 1470 feet above MLLW.  
 The mapping of the village of Naukati Bay has been adjusted to this control using high-precision GPS methods and the adjusted coordinates and elevation for ASLS 85-317 ROW PT. were calculated to establish a local control reference. The NAD 1983 coordinates for this monument are North 55° 52' 10.170" and West 133° 12' 08.624" and the elevation is 142.16 feet above MLLW.  
 This map projection is based upon NAD 83, ASP Zone 1 as expressed in US Survey Feet.
