 This map was prepared by the Lake and Peninsula Borough in cooperation with the Alaska Department of Community and Economic Development (DCE) using funding from the Alaska Coastal Management Program, U.S. Bureau of Indian Affairs Transportation Planning, and funding from the Initiative for Accelerated Infrastructure Development (IAID). The IAID is supported by grants from the Denali Commission, USDA Rural Development, Alaska Department of Transportation and Public Facilities and DCE. The Lake and Peninsula Borough contracted with Global Positioning Services, Inc. in May of 2003 to prepare the map.
 This map is based on photography acquired on August 26 and September 9, 2002, at a nominal scale of 1 in = 1500 ft. This aerial photo has not been corrected, by rectification to ground control stations. Distortions between boundary lines and photograph exist.
