19. Water Treatment Plant
20. Hydroelectric Plant
21. City Water Tank
22. Seafood Processing Shop

SCALE: 1"=100'
 Date of Photography: September 12, 2011
 Magnetic Declination computed by U.S.G.S. Geomag
 Program using IGRF10.COF model as of September 1, 2011

MAP NOTES
 This map was prepared by the Alaska Department of Commerce, Community, and Economic Development, Division of Community and Regional Affairs (Commerce). This map is funded with qualified outer continental shelf oil and gas revenues through the Coastal Impact Assistance Program, Fish and Wildlife Service, U.S. Department of the Interior. Commerce contracted with Global Positioning Services, Inc. in May of 2011 to prepare the map.

This map should not be construed as a survey. On-site surveys should be conducted prior to engineering or construction. This map was compiled to meet horizontal and vertical accuracy in accordance with national map accuracy standards.

Property and utility information has been generated from readily available sources with limited accuracy checks. Property information is not intended to represent a title search of the Recorder's Office record. Utility location is approximate and shows only the main lines. Generally, the information is current as of December 2011. VSW provided sanitation facility records.

This map is based on photography acquired on September 12, 2011, at a nominal scale of 1 in = 800 ft. Aero-Metric Anchorage prepared the orthophoto and topographic mapping. The topographic contours were prepared at two (2) foot intervals with index contours every ten (10) feet.

The views and conclusions contained in this document are those of the authors and should not be interpreted as representing the opinions or policies of the U.S. Government. Mention of trade names or commercial products does not constitute their endorsement by the U.S. Government.

HORIZONTAL AND VERTICAL CONTROL
 The horizontal and vertical control station for this digital map and orthophoto was an NGS OPUS solution for USACE PH-3. The horizontal datum NAD 1983 coordinates for this monument are North 57° 57' 27.438" and West 136° 13' 39.136".

The vertical control station for this digital map and orthophoto was USC&GS Tidal BM "945 2611 J". The elevation for this station is 17.61 feet above mean low water.

This map projection is based upon NAD 83, ASP Zone 1 as expressed in US Survey Feet.
