

AREA MAP INSET 1"=2000'

MAP NOTES

This map was prepared by the Bristol Bay Native Association (BBNA) in cooperation with the Alaska Department of Community and Economic Development (DCEd) using funding from the Bristol Bay Housing Authority, U.S. Bureau of Indian Affairs, Alaska Coastal Management Program, and funding from the Initiative for Accelerated Infrastructure Development (IAID). The IAID is supported by grants from the Alaska Native Tribal Health Consortium, Denali Commission, USDA Rural Development, Alaska Department of Transportation and Public Facilities and DCEd. The Bristol Bay Native Association contracted with Bristol Environmental & Engineering Services in June of 2003 to prepare the map. McClintock Land Associates Inc. was subcontracted by Bristol Environmental and Engineering Corporation to perform aerial photography and control surveying.

This map is based upon a digital orthophoto prepared to National Map Accuracy Standards from July 8, 2003 photography (nominal scale 1" = 800'). An orthophoto is an aerial photo which has been corrected, by rectification to ground control stations, to remove aircraft distortions and warpage. The distortions are generally caused by topography and the aircraft tilt and trim.

Property and utility information has been generated from readily available sources with limited accuracy checks. Property information is not intended to represent a comprehensive title search of Recorder's Office records. Utility locations are an approximate and show only the main lines. Generally, the information is current as of July, 2003.

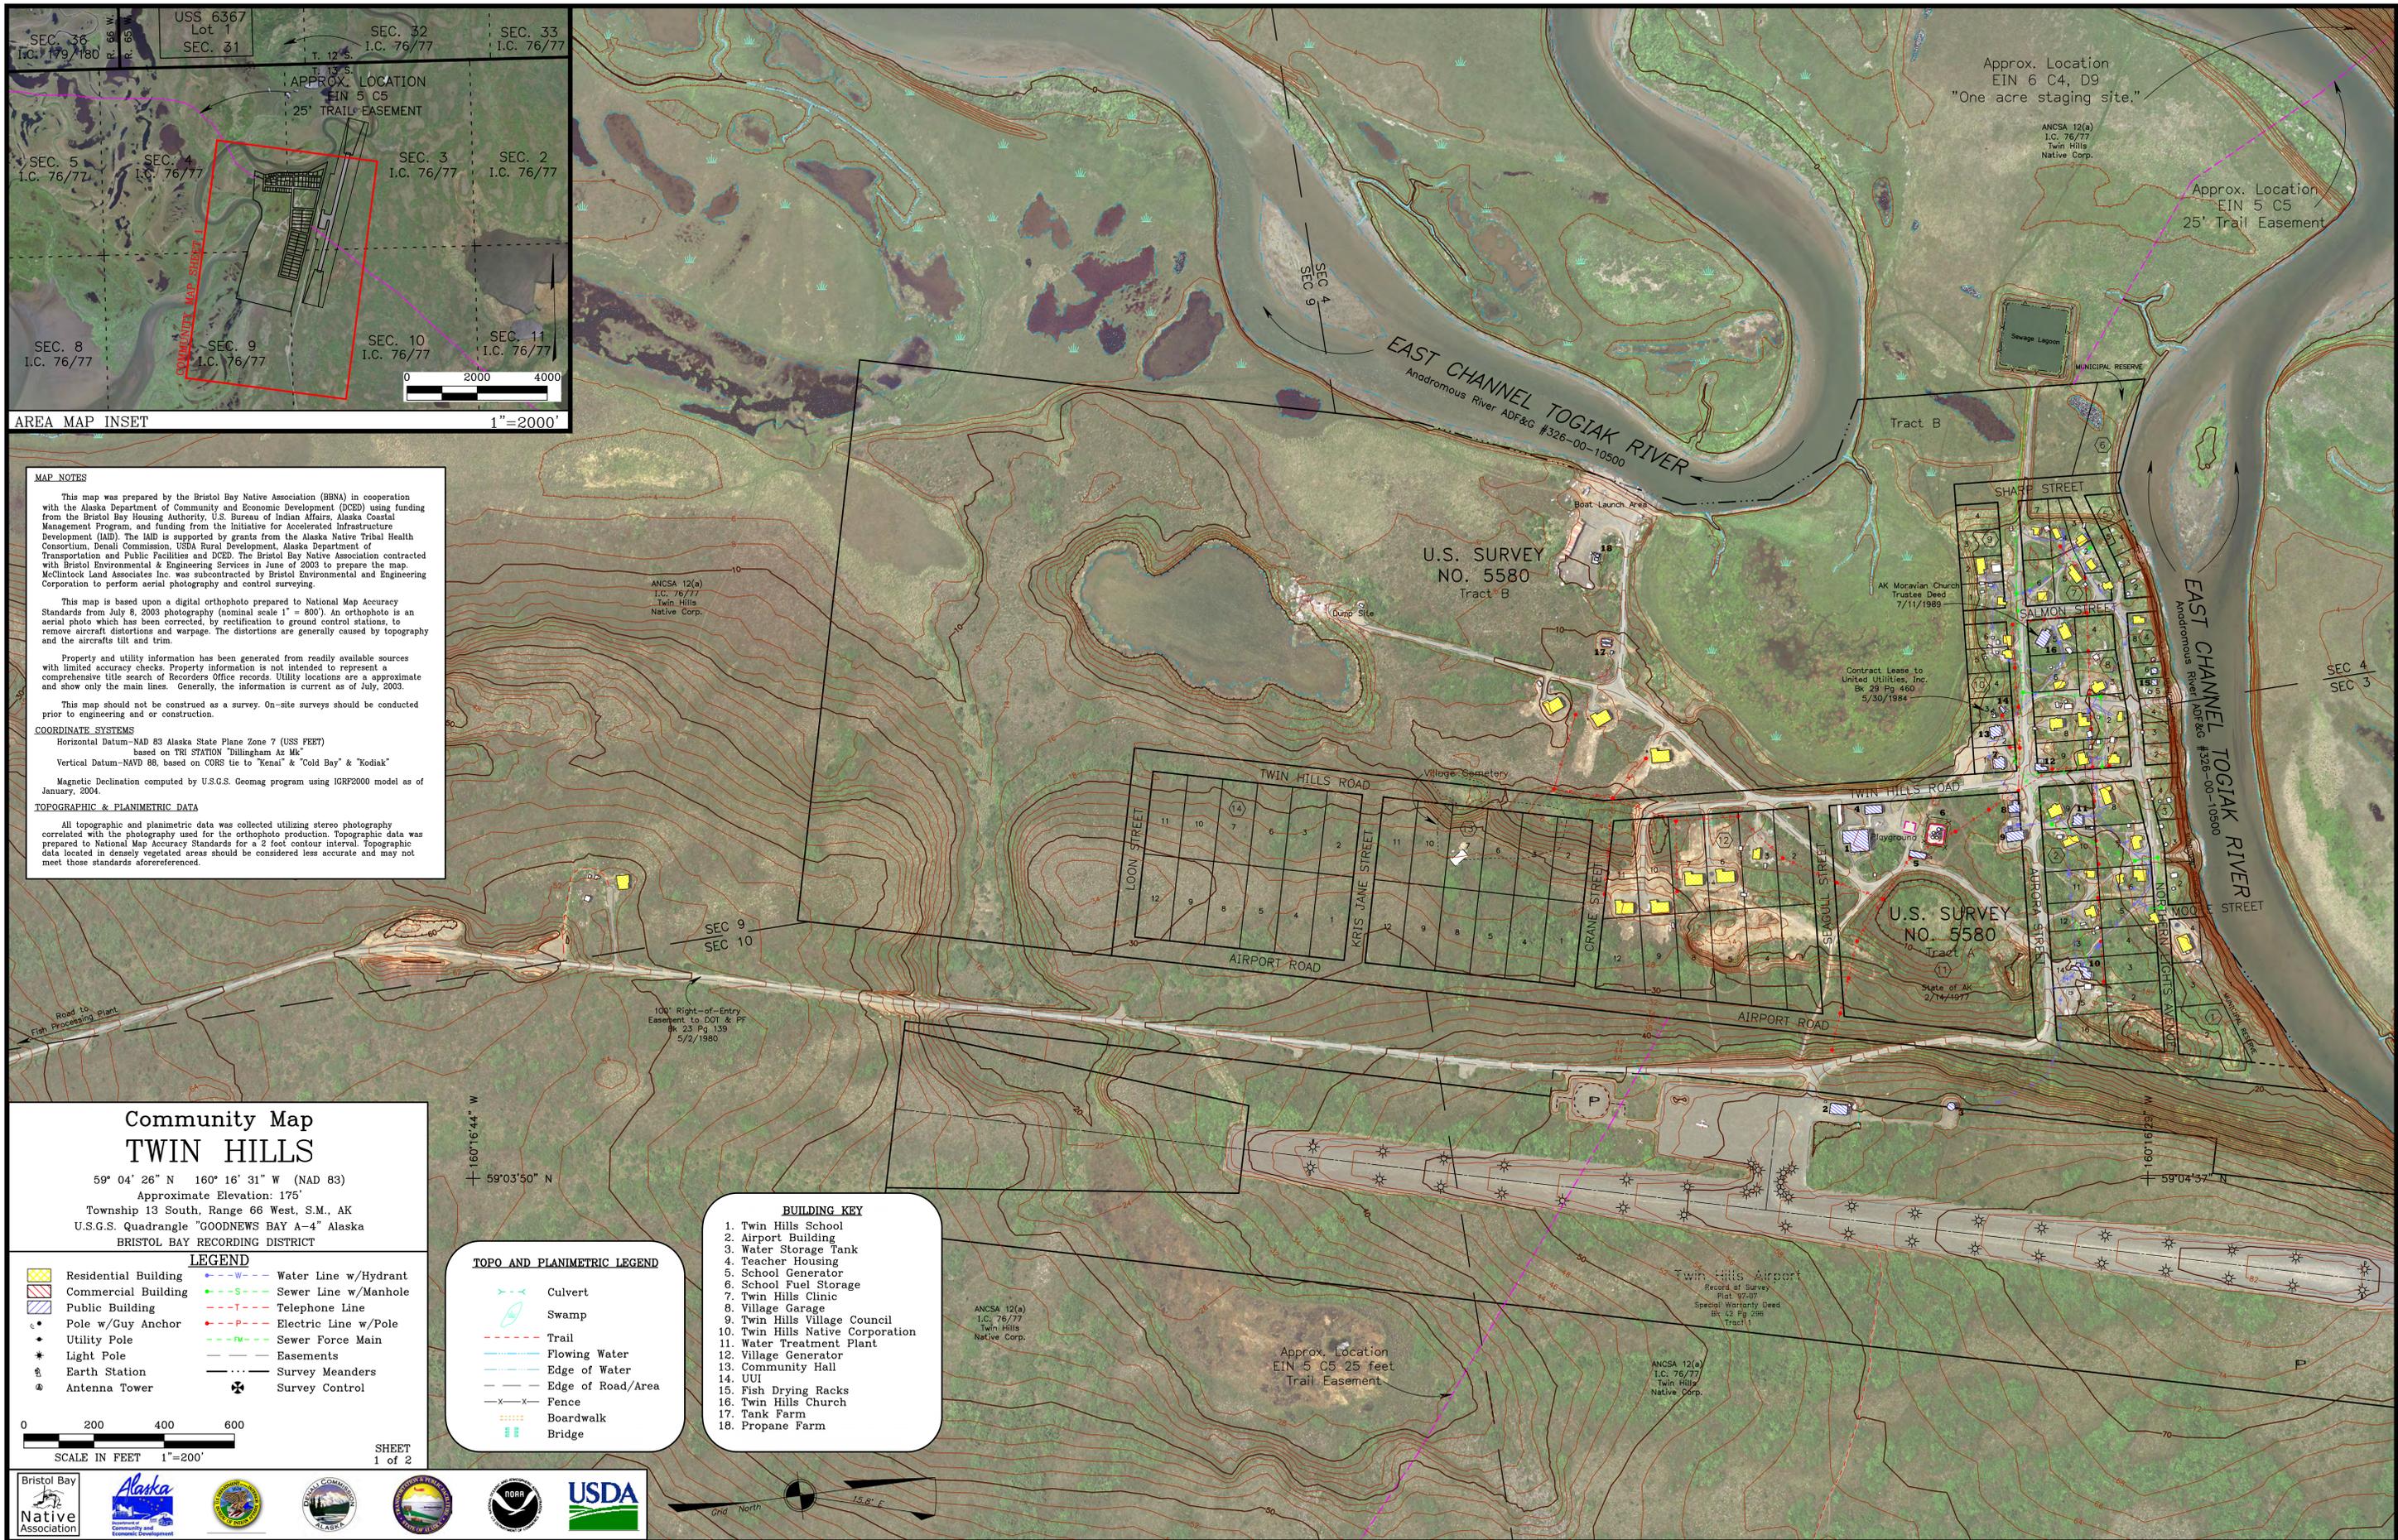

This map should not be construed as a survey. On-site surveys should be conducted prior to engineering and or construction.

COORDINATE SYSTEMS

Horizontal Datum—NAD 83 Alaska State Plane Zone 7 (USS FEET) based on TRI STATION "Billingham Az Mk"
 Vertical Datum—NAVD 88, based on CORS tie to "Kenai" & "Cold Bay" & "Kodiak"
 Magnetic Declination computed by U.S.G.S. Geomag program using IGRF2000 model as of January, 2004.

TOPOGRAPHIC & PLANIMETRIC DATA

All topographic and planimetric data was collected utilizing stereo photography correlated with the photography used for the orthophoto production. Topographic data was prepared to National Map Accuracy Standards for a 2 foot contour interval. Topographic data located in densely vegetated areas should be considered less accurate and may not meet those standards aforementioned.

**Community Map
TWIN HILLS**

59° 04' 26" N 160° 16' 31" W (NAD 83)
 Approximate Elevation: 175'
 Township 13 South, Range 66 West, S.M., AK
 U.S.G.S. Quadrangle "GOODNEWS BAY A-4" Alaska
 BRISTOL BAY RECORDING DISTRICT

LEGEND

- Residential Building
- Commercial Building
- Public Building
- Pole w/Guy Anchor
- Utility Pole
- Light Pole
- Earth Station
- Antenna Tower
- Water Line w/Hydrant
- Sewer Line w/Manhole
- Telephone Line
- Electric Line w/Pole
- Sewer Force Main
- Easements
- Survey Meanders
- Survey Control

TOPO AND PLANIMETRIC LEGEND

- Culvert
- Swamp
- Flowing Water
- Edge of Water
- Edge of Road/Area
- Fence
- Boardwalk
- Bridge

BUILDING KEY

1. Twin Hills School
2. Airport Building
3. Water Storage Tank
4. Teacher Housing
5. School Generator
6. School Fuel Storage
7. Twin Hills Clinic
8. Village Garage
9. Twin Hills Village Council
10. Twin Hills Native Corporation
11. Water Treatment Plant
12. Village Generator
13. Community Hall
14. UUI
15. Fish Drying Racks
16. Twin Hills Church
17. Tank Farm
18. Propane Farm
