

MAP NOTES

This map was prepared by the Alaska Department of Commerce, Community, and Economic Development, Division of Community and Regional Affairs (Commerce) using funding from Federal Emergency Management Agency and US Department of the Interior Bureau of Indian Affairs. Commerce contracted with Global Positioning Services, Inc. in June of 2009 to prepare the map.

This map should not be construed as a survey. On-site surveys should be conducted prior to engineering or construction. This map was compiled to meet horizontal and vertical accuracy in accordance with national map accuracy standards.

Property and utility information has been generated from readily available sources with limited accuracy checks. Property information is not intended to represent a title search of the Recorder's Office record. Utility location is approximate and shows only the main lines. Generally, the information is current as of December 2009.

This map is based on photography acquired on July 17, 2009, at a nominal scale of 1 in = 800 ft. Aero-Metric Anchorage prepared the orthophoto and topographic mapping. The topographic contours were prepared at two (2) foot intervals with index contours every ten (10) feet.

HORIZONTAL AND VERTICAL CONTROL
 The horizontal and vertical control station for the digital orthophoto was an NGS OPUS solution for BLM Monument "ANCSA 14(c) ROW AP54". The horizontal datum NAD 1983 coordinates for this monument are North 68° 55' 23.72562" and West 151° 30' 25.66104". The Geoid 05 elevation for this station is 644.559 feet. The mapping of Bettles & Evansville has been adjusted to this control using high-precision GPS methods.

This map projection is based upon NAD 83, ASP Zone 4 as expressed in US Survey Feet.

COMMUNITY MAP BETTLES/EVANVILLE

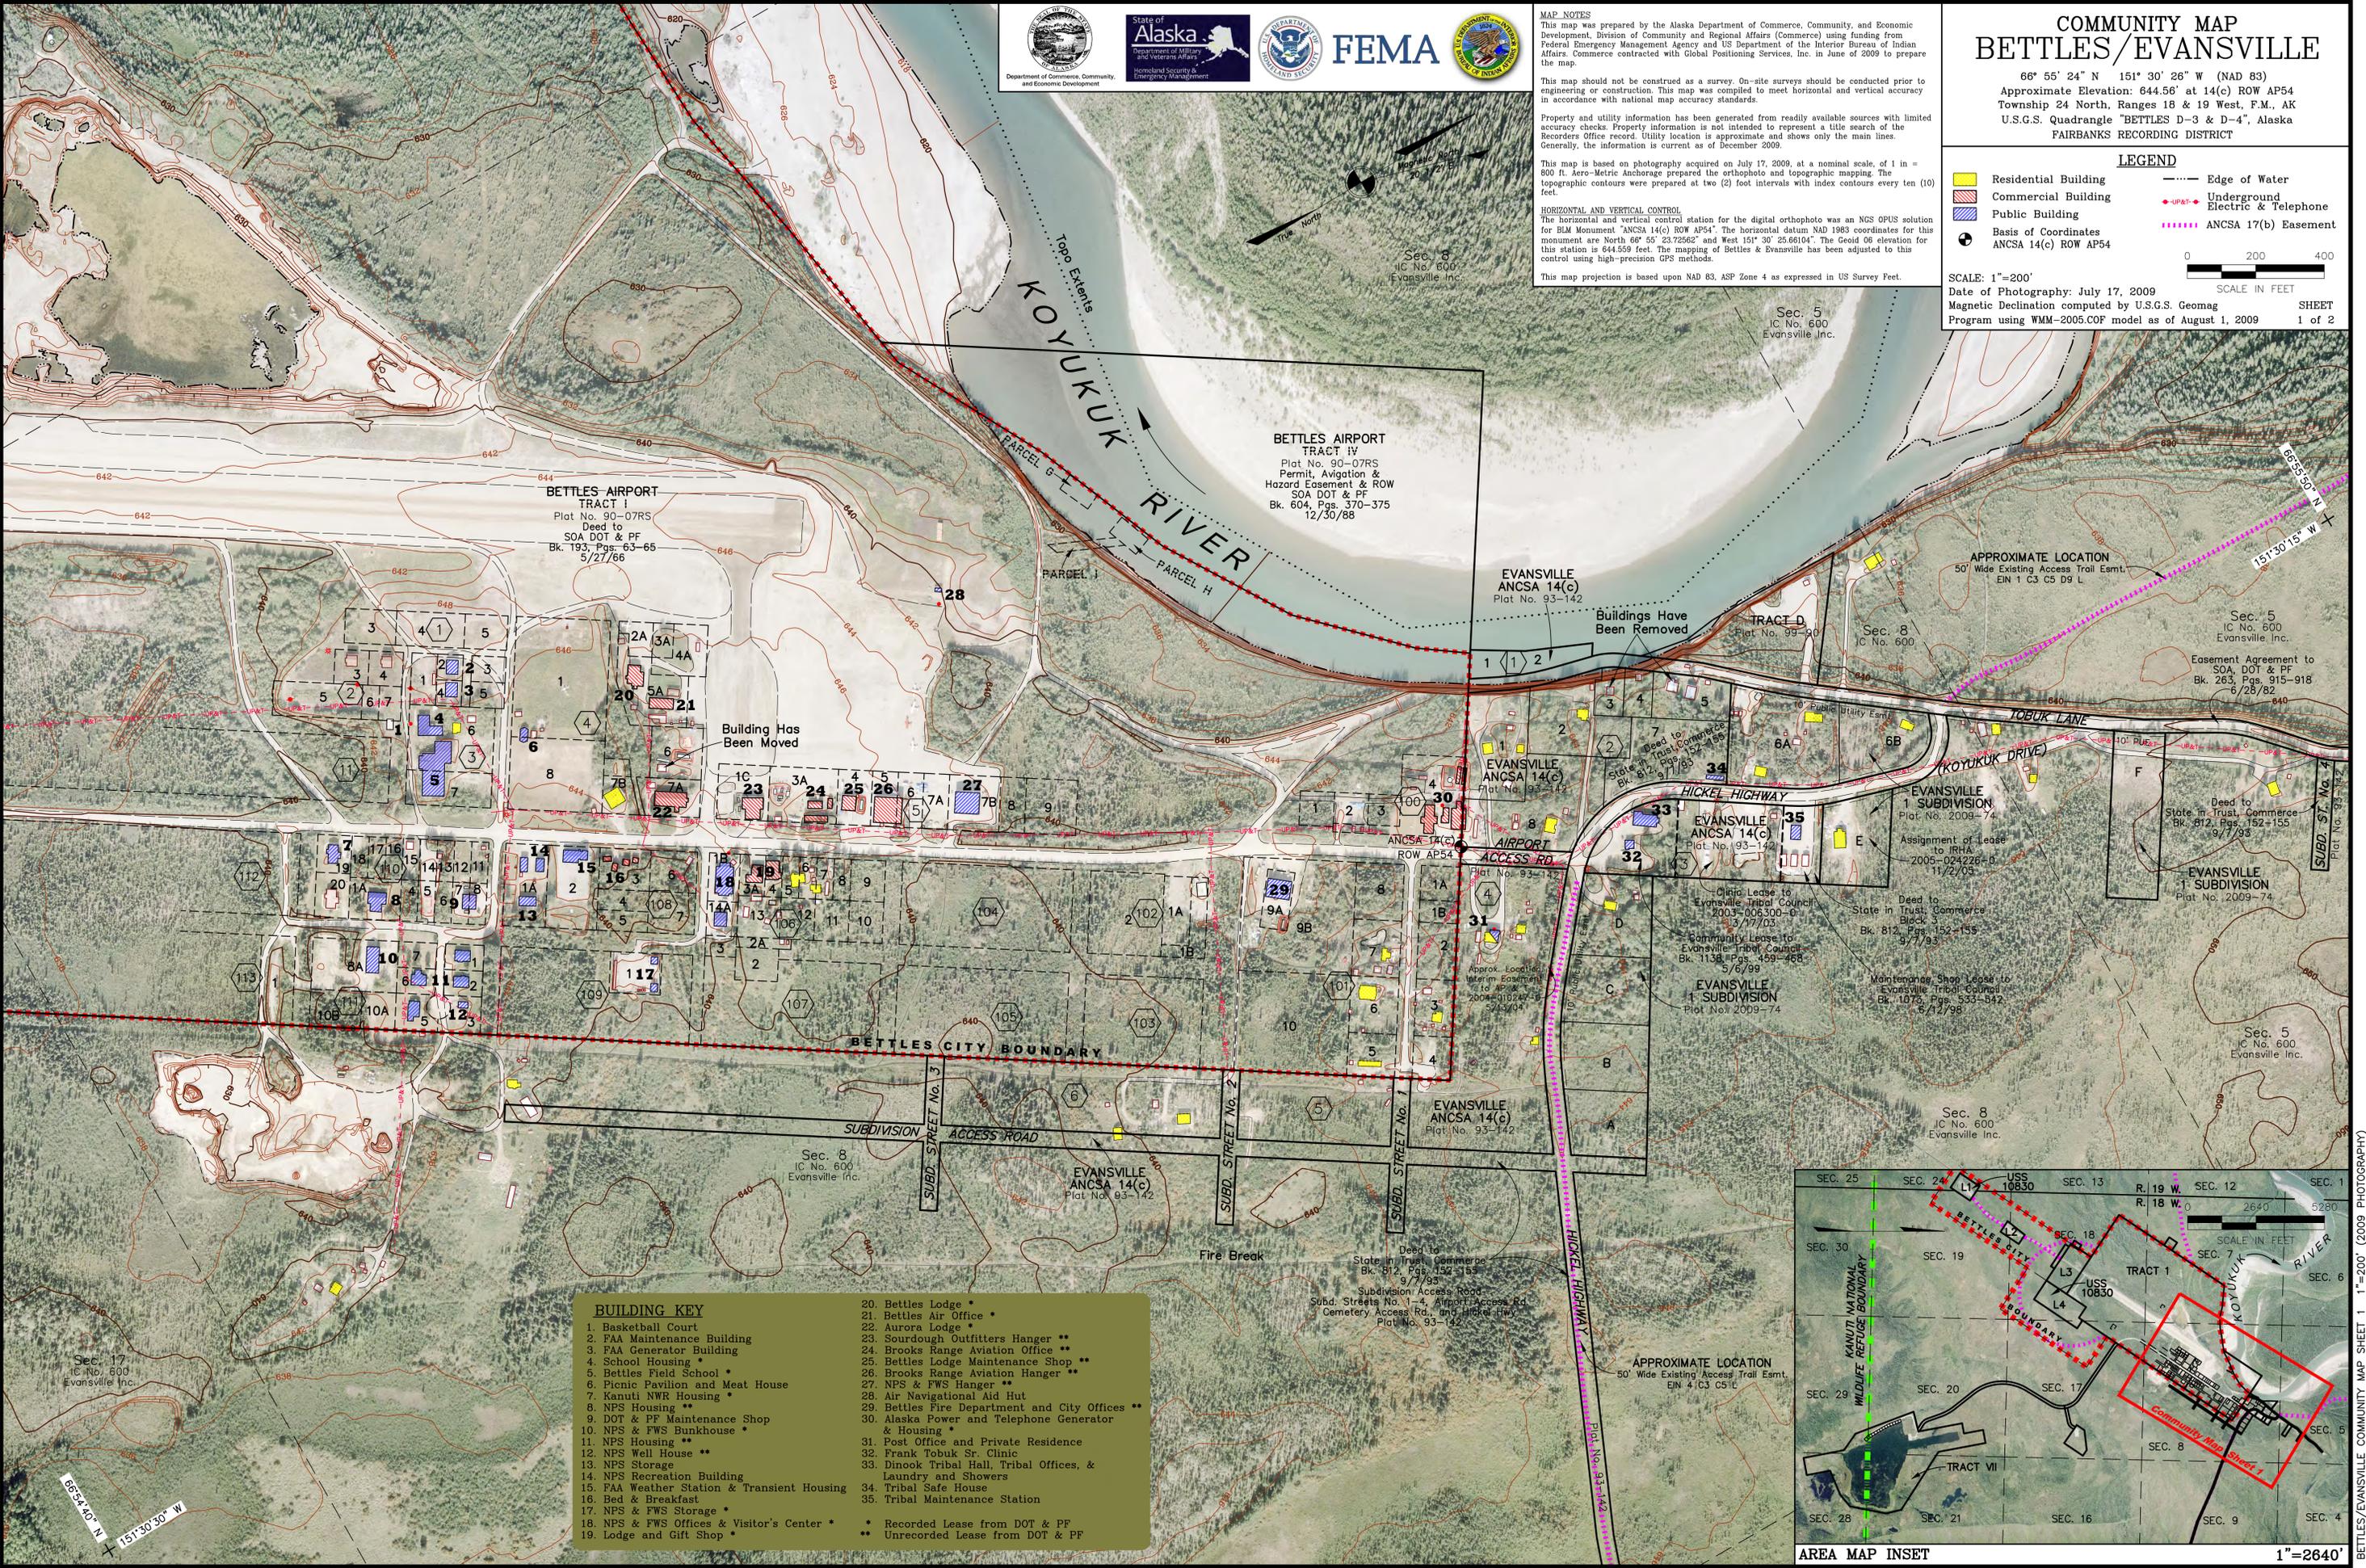

66° 55' 24" N 151° 30' 26" W (NAD 83)
 Approximate Elevation: 644.56' at 14(c) ROW AP54
 Township 24 North, Ranges 18 & 19 West, F.M. AK
 U.S.G.S. Quadrangle "BETTLES D-3 & D-4", Alaska
